

EXECUTIVE PROFILE**Rebecca Gutierrez****Vice President of Marketing**

Rebecca Gutierrez brings to Blink nearly twenty years of marketing experience in the B2B and B2C sectors and over a decade of practical experience in marketing firms in the architecture, engineering, and construction fields. Her wealth of knowledge in this arena makes her a valuable member of the Blink team, strategizing and implementing marketing efforts to support and drive sales. Rebecca also serves as a business and marketing professor at the Country's largest college, sharing her wealth of knowledge with tomorrow's business leaders.

Leading the marketing for Blink, Rebecca works alongside the team's executive team to raise awareness of the Blink brand with EV drivers, host locations, the media, and the investment community. She drives the business forward by identifying high-level strategic partnerships to secure and welcoming EV drivers and host locations into the Blink family.

We are in a very exciting time in a fast-paced, growing industry which makes what we do both meaningful and fun

Blink Charging

Founded in 2009, Blink is dedicated to slowing climate change by reducing greenhouse gas emissions caused by transportation. We're a driving force in the EV industry, paving the way for the growth and adoption of electric vehicles.
